River Kayaking

Explore the Blackwater Valley by Kayak (inc River Awbeg, Funchion & Bride). Enjoy half-day and full-day trips on a choice of rivers with varied levels of difficulty. In addition to experiencing the pristine natural environment of the Blackwater Valley, many routes pass sites of historical interest. All equipment, guides and transfers are provided. Experience is not essential.

Dune Buggy Driving

Fancy yourself behind the wheel? Experience a totally unique and breathtaking experience on Buggies built for mayhem. Do things with a vehicle that you never thought possible as you negotiate the Twists, Jumps, Turns, Muddy straights and inclines on our custom constructed 2km track through the mature forestry at Blackwater Castle Estate.

Zorbing

Two people at a time are strapped inside a 2.5m Diameter inflatable sphere. Hold on for the adrenaline rush before being launched from a 4m high ramp head over heels down the zorb run. The air filled space between the outer and inner ball acts as a shock absorber as you tumble down the slope. Zorbing is classed as one of the safest extreme sports!

River Tubing

Experience the Thrills, serious fun and adventure Tubing on the rushing rapids of the River Awbeg. Previous experience is not required however be prepared to get wet. You will experience rapids and weirs, pass under bridges and low hanging branches, and bump off walls, rocks and each other! All wetsuits, Guides and safety equipment are provided.

Archery

Experience the exhilaration of hitting the bull's-eye for the first time, who knows with a little practice you might become the next Robin Hood! Archery is fun, safe and suitable for all age groups. Each participant gets ample practice to master their technique prior to a competitive shoot off with the other members of their group. All tuition and equipment provided.

Zip Lines

Experience the stunning vistas of the forested River Valley on a guided adventure through the tree tops. This hair-raising, high-wire trek is sure to get your heart racing. The trek involves a number of 500 foot long zip lines, joined by a network of high ropes bridges, obstacles and forest trails. Having stepped off the edge, experience the rush as you soar across the river valley.
